Electricity Facts Label (EFL)
ENGIE Resources LLC
VARIABLE RATE FOR POST-TERM (ROLLOVER) SERVICE
AEP Central Electric Delivery Service Area – October 1, 2024

Electricity Price

Average Monthly Use	1,500kWh	2,500kWh	3,500kWh
Sample price per kWh	.76512¢	.76358¢	.76291¢

This price disclosure **is an example** based on average service prices - your actual average price for electricity service will vary according to your usage quantity, utility related charges, and ERCOT's prices for other components. Prices are published at www.ercot.com.
This example is based on the following:

Energy Charge	15.6¢ per kWh
AEP Central (TDU) Electric Delivery Charge - Per Month	$5.79 per month
AEP Central (TDU) Electric Delivery Charge - Per kWh	$0.061259 per kWh

Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first post-term billing cycle; this price may change in subsequent months at the sole discretion of ENGIE. Sample prices are exclusive of state and local taxes. **For additional details, for assistance with determining the current price, to obtain the current Monthly Variable Rate, or to obtain historical price information, contact ENGIE Resources at 1-866-693-6443, www.engieresources.com, or care@engieresources.com.**

Other Key Terms and Questions

See "Terms of Service" for a full listing of fees, deposit policy, and other terms.

Disclosure Chart

Type of Product:	**VARIABLE RATE**
Contract Term:	**Month-to-Month**
Do I have a termination fee or any fees associated with terminating service?	**No**. There is no fee for terminating or cancelling service.
Can my price change during contract period?	**Yes**
If my price can change, how will it change, and by how much?	**YES, YOUR PRICE CAN CHANGE.** The Monthly Variable Rate is determined at ENGIE's discretion. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside ENGIE's control.
What other fees are charged?	Please refer to your Terms of Service for more detailed information.
Is this a pre-pay or pay in advance product?	No
Does the REP purchase excess distributed renewable generation?	No
Renewable content:	This product is 8.51% renewable.
The statewide average for renewable content is:	33.3% of statewide average for renewable content.
