ACCOUNT INFORMATION

Statement Issued Date 9/8/2025
Billing Period 8/1/2025 to 9/3/2025 → **Service Period**
Statement Number 10194141
Utility Account Number (UAN) 000001234 → **Utility account number**
Bill Account Number (BAN) 0000123456 → **ENGIE Bill Account Number**
Contract Expiration 09-30-2027 → **Contract Expiration**

USAGE HISTORY

→ This graph shows your electric use over the last 12 months as an average daily use i.e. average kWh per day.

You used 74 kWh in 33 days, or an average of 2 kWh a day. The average price you paid for electric service is 7.892¢ per kWh excluding taxes and non-recurring charges or credits.

YOUR CARBON FOOTPRINT

Based on your monthly usage of **74 kWh** your equivalent emissions of Carbon is **0.008 metric tons of CO₂e**.

That's the equivalent of...

19 miles driven by an average gas-powered vehicle.

If you purchased renewables, please inquire about your end of year statement. To find out ways to reduce your carbon emissions, contact us at greentailer@engie.com or reach out to your sales representative.

IMPORTANT MESSAGES[Important messages can be viewed here.](#)

Your contract rate is valid through the meter date on or following 09/2027. If by that time you have not signed a new contract for service, then you will begin paying a post-term rate for month-to-month service. For more details on renewal options or post-term service, please refer to your contract terms and conditions.

UNDERSTANDING YOUR BILL

For an explanation of additional charges and term definitions, visit: accounts.engieresources.com/faqs/UnderstandingYourBill

Bill Account Number

A unique number assigned to your account. Customers with multiple locations may have multiple account numbers.

Due Date

The date your payment is due to arrive at ENGIE Resources in order to avoid late charges.

Energy Charge

Charges for electricity used during this period.

Utility Charges

Charges for services rendered by your local Transmission and Distribution Service Provider. These charges are set by the service provider.

Taxes

Taxes imposed on energy and utility charges and remitted to taxing entities.

Late Payment Charges

1.5% monthly charge on funds received after the due date.

Prevent Termination

Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. Neglecting to pay all charges may result in contract termination.

Right to Dispute Bill

If you believe your bill is inaccurate or you wish to dispute all or part of any bill, please contact ENGIE Resources at 1-866-693-6443 (1-866-MYEngie). If you are not satisfied with the decision or do not receive a decision within 10 days, you have the right to appeal to the New York Department of Public Service, 3 Empire State Plaza, Albany, New York 12223-1350. Telephone 1-800-342-3377 (within N.Y. State only).

Price Changes

Please note, the amount billed on this invoice may include price changes allowed by law or regulatory actions.

Meter Constant

A fixed value which is used when converting meter readings to actual energy use.

Power Factor

A measurement used by some electrical distribution companies to determine the ratio of real power flowing to the load of apparent power.

OffPk (Off-Peak)

Those periods of time at which energy is generally being delivered far below the utility's maximum demand.

OnPk (On-Peak)

Those periods of time at which energy is generally being delivered near or at the utility's maximum demand.

kW (kilowatt)

A unit of power equal to 1000 watts.

kWh (Kilowatt-hour)

The standard unit for measuring electricity energy consumption. equal to 1,000 watt-hours.

kVa (Kilovolt-ampere)

The amount of apparent power in an electrical circuit, equal to the product of voltage and current.

kVAR (Kilo-Volt-Amperes Reactive)

The product of the voltage and the amperage required to excite inductive circuits.

kVARH (Kilo-Volt Amp Reactive Hours)

A measure of energy supplied but not converted into work.

kV (kilovolt)

A unit of electromotive force, equal to 1,000 volts.

This page has additional information regarding your bill. It also tells you what you need to do if you need to dispute your bill.
