|  | <b>Contract Term:</b>   | <b>Month-to-Month</b>   |          |               |                |  |                   |   |                |  |                   |
|  | <b>Do I have a termination fee or any fees associated with terminating service?</b>   | <b>No.</b> There is no fee for terminating or cancelling service.   |          |               |                |  |                   |   |                |  |                   |
|  | <b>Can my price change during contract period?</b>  | <b>Yes</b>  |          |               |                |  |                   |   |                |  |                   |
|  | <b>If my price can change, how will it change, and by how much?</b>   | <b>YES, YOUR PRICE CAN CHANGE.</b> The Monthly Variable Rate is determined at ENGIE's discretion. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside ENGIE's control. |          |               |                |  |                   |   |                |  |                   |
|  | <b>CUSTOMER ACKNOWLEDGMENT OF RISK FOR ANCILLARY SERVICE CHARGES</b>  | Customer understands that its energy bill may include a separate assessment of ancillary service charges, which may cause its energy bill to be multiple times higher in a month in which ancillary services charges are high. Customer understands that it will be responsible for charges caused by fluctuations in ancillary service charges   |          |               |                |  |                   |   |                |  |                   |
|  | <b>CUSTOMER ACKNOWLEDGMENT OF RISK FOR WHOLESALE INDEXED PRODUCTS</b>   | Customer understands that the volatility and fluctuation of wholesale energy pricing may cause an energy bill to be multiple times higher in a month in which wholesale energy prices are high. Customer understands that it will be responsible for charges caused by fluctuations in wholesale energy prices  |          |               |                |  |                   |   |                |  |                   |
|  | <b>What other fees are charged?</b>   | Please refer to your Terms of Service for more detailed information.  |          |               |                |  |                   |   |                |  |                   |
|  | <b>Is this a pre-pay or pay in advance product?</b>   | <b>No</b>   |          |               |                |  |                   |   |                |  |                   |
